

Policy Agenda 2027

Wholespire remains committed to advocating for

- child nutrition and school meals,
- nutrition security and food access,
- food is medicine and payment pathways,
- healthy schools, and
- healthy communities' policies.

As local, state and federal policies are presented supporting our advocacy agenda, we will update our policy agenda.

In the meantime, please review what we've done so far this year on our website and social media.

SC State House Update:

- Joint Citizens and Legislative Committee on Children Fall Hearings in September and October. We will be asking the committee to continue to prioritize free school meals.
- Election Day is November 3, 2026.
- The first regular session of the 127th South Carolina General Assembly will convene on Tuesday, January 12, 2027.
- As legislative bills are introduced, Wholespire will add to this policy agenda.
